

Comments from the Board of Directors

Due to the Covid-19 CoronaVirus, the Fernside Home Owners Association (FHOA) Board of Directors decided to not hold a National Night Out event this year. It was typically held on the first Tuesday of August where we would invite the local police, fire, emergency services, and City Council members to attend. The board also decided to help promote any individual neighborhood's event. The following event is not a FHOA event, but you are welcome to consider attending it.

Editor Notes:

National Night Out is sponsored nationally by National Association of Town Watch.

The neighborhood sponsor wants to reduce the possibility of 'Zoom bombing' by having participants register in advance through Zoom.

You do not need to have a webcam. Just have some audio speaker (on your smartphone or computer) so you may listen.
